Fall 2016

## **Textile Art Department Services and Prices**

**Jacquard Loom Rental:** \$70/day or \$40 ½ day; MakerLab hours are 12-9pm  
Student pricing \$60/day or \$35 ½ day.  
Longer periods negotiable.

**Individual instruction on the Jacquard loom and design:** \$40/hour

**Weaving:** We can weave your file and samples; weaving will be @ \$20/hour + loom rental+ materials; we can provide you with cost projections.

**Group Workshops/Instruction:** for small groups can be arranged as needed.

### **Material Costs:**

Warp: unbleached or white mercerized cotton: \$6/foot or \$19/meter  
black/coloured warps: \$7/foot or \$22/meter

Weft: \$6/foot or \$19/meter woven fabric, using cotton, bamboo, mercerized cotton, 'blue mountain' wool, cotton/hemp blends or yarns we have in stock or bring your own weft yarns.

Our AVL Jacq3G loom is usually warped with mercerized cotton, in either black or natural white at 30epi (12 ends/cm). Finished weavings are 24" (720 hooks/pix) when on the loom and generally 22-23" when taken off the loom.

**Sewing and finishing:** Simple finishing can be provided at cost.
